

## Instructions for authors

---

Before submitting the paper we encourage the authors to use English language editing support.

Papers which are to be published in *Managerial Economics* should be prepared according to the following guidelines.

All illustrations, figures, and tables are placed within the text at the appropriate points, rather than at the end.

Title page should include a footnote, giving the author(s) affiliation(s) (including postal and e-mail addresses of all authors).

Figures must be prepared in a form suitable for direct reproduction. Digital artwork at least 300 dpi resolution is accepted. Photographs, on glossy paper (9 by 13 cm or larger), should display sharp contrast. Figures, tables and photographs should be numbered according to their reference in text.

Illustrations should be edited in CorelDraw (\*.CDR), DrawPerfect (\*.WPG) or in any other vector graphics form e.g. HPGL, Encapsulated PostScript (\*.EPS), Computer Graphics Metafile \*.CGM) or bitmaps (\*.TIF, \*.PCX).

Mathematical equations within the text should be written in separate lines, numbered consecutively (numbers within round brackets) on the right-hand side. Greek characters must be written out clearly.

Summary and 3-5 keywords should be submitted in separate file containing the name of the author, title of the paper with the heading "Summary".

Authors using Word are requested to employ, as far as possible, text form of mathematical symbols leaving graphic form for the equations longer than single line.

## Reference style

In general, the authors should use the Harvard style of referencing. References to literature within the text should be given in the form: the name of the author(s) and the year of publication (in parentheses), e.g. "Smith (1990) underlines...", "As shown in Smith (1990)...". In case of more than two authors of the cited publication the "et al." shortcut should be used.

Lists of references should be written in alphabetical-chronological order, numbered and follow the rules:
